As co-editors of the 1974 Sigma, we would like to thank every individual who has cooperated in some way to make the yearbook a success.

Each year, the staff attempts to produce a book that has a mark of individuality, setting it apart from those of previous years. In so doing, we decided to use a seasonal format. This book represents the efforts of many long hours of planning and hard work. We hope that as you page through it, you will find something that will amuse you, uplift you, or encourage you in order to "face each challenge" during your life.

Co-editors,

Fall

Fall is . . . meeting old friends in the excitement of a new session together, the tempo hastened by the briskness of the air and the crunch of new fallen leaves beneath our feet . . . of broken shouts of laughter from people caught up in the spirit of competition. The mood is quick as water racing swiftly ahead of the coming cold.

Administration

SCHOOL BOARD — Seated: J. Kauffman, J. Zug, L. Zeller — President, R. Patrick. Standing: S. Schaffer, F. Kirschner, H. Bollinger, K. Good, R. Wise.

Let's Face It

"Not everything that is faced can be changed but nothing can be changed until it is faced." This statement is the motto of the class of 1974. It truly signifies a prevalent spirit and attitude of the time in which we live. It is a proper description of the challenge which all of us must be ready to accept if we are to be responsible citizens. This motto might very well be a credo for life. Each one of us has to be aware of the fact that nothing really can be changed or accomplished in any endeavor if we are unwilling to accept our share of responsibility for bringing about change. If this world is to become a better one, then each of us must be aware of the fact that there are problems and conditions that cannot be ignored.

Class of 1974, your motto is a good one. If you personally practice it, you will be able to develop a feeling of accomplishment that will mark you as a person who will try to responsibly do his or her best to improve the quality of life in our time. Best wishes and congratulations to each of you. May your days in school always be a beacon to guide you to even greater accomplishments.

The Challenge of Teaching

Social Studies

To learn from past mistakes is always a lesson which one should follow. The teachers of our Social Studies Department open the doors to the problems of our world. They help us learn about the way our government operates and the benefits we can receive. With the knowledge that we have received from them we start to build a foundation of mutual understanding.

Science

How far away are the stars? What is beneath the oceans? How do we breathe? Curiosity is a vital characteristic of the scientifically minded person, and the science teachers display this curiosity. Their interest helps to instill within the students this desire to question and investigate our environment.

Mathematics

In mathematics, as in almost no other subject, it is essential to build from the ground up. Instructions start with basic arithmetic. This is followed by algebra, geometry, trigonometry, advanced math, and later even higher maths. The math teachers know the importance of a systemic progression in learning math. Therefore they work close together to provide the high school students with a good solid program of math instruction.

Courses in Home Economics, Vocational Agriculture, and Industrial Arts are offered for those pupils interested in such things as cooking, farming, wood-working, and auto-mechanics. In these classes, they gain valuable experience which will be very beneficial in future years, whether it be for a vocation or an avocation.

Phys. Ed. and Driver Ed.

One important aspect of education is building a sound body. The health and physical education departments give us the opportunity to learn how our bodies function and a chance to use this knowledge in order to have healthier bodies and minds.

The goal of the driver education department is to give students a knowledge of safe-driving techniques and a desire to use them. If implemented, the roads will surely be safer for everyone.

Special Education and Languages

Those students who need more personal instruction may receive help in the special education class. Under the guidance of Mr. Arbogast, they are able to develop their potential more fully.

Students are offered two foreign languages at Elco. In both of these, whether German or Spanish, the student learns grammar and vocabulary and has practice speaking the language.

Business

Students taking courses in business acquire skills that will enable them to find a place of employment in the business world. Courses offered include business law, bookkeeping, shorthand, typing, and business math. Language Arts

There are many different areas of instruction for students in the language arts program. Courses such as creative writing, popular fiction, great books, seminar of ideas, grammar, and advanced reading are offered. Service Personnel

Each school day someone must be responsible for providing student transportation to and from school, meals, and janitorial services. These services are provided by three groups of very capable personnel. Sometimes they are taken for granted, so we wish to thank the bus drivers, cafeteria staff, and custodians for those services faithfully rendered each day.

CAFETERIA STAFF — Row 1: J. Wolgemuth, G. Weaver, L. Firestine, J. Lutz, J. Erdman, H. Dulabohn, L. Pennypacker, M. Behney. Row 3: L. Uhrich, S. Krall, S. Yoder, A. Shaak, F. Miller, I. Klopp, J. Cox.

Mrs. Mildred Schaeffer

Raider Runners

The Cross-country team at Elco continued to improve as this year's harriers posted a near .500 record. Coached by Mr. David Dubble, the runners were led by Randy Brandt, Bob Wright, and Jim Mahaffey, who were consistently among the top finishers. These boys put more time and effort into their running than many would believe and deserve congratulations for a job well done.

Row 1: D. Zartman, J. Mahaffey, M. Landis, T. Heffelfinger, A. Konski, G. Heisey. Row 2: D. Dubble — coach, F. Shade, R. Brandt, R. Wright, D. Keppley.

Row 1: L. Sheetz, T. Morgan. Row 2: R. Troutman, B. Holdren, G. Swanger, M. Hemperly.

This year's golf team compiled a sub-par record. Rick Troutman, their number one man had an outstanding season, often shooting in the 60's. However, the Raiders had a young team and can be expected to make good showings in the years to come.

Fore!

Our Girls in Kilts

The hockey team did not enjoy a winning record this year, but there was outstanding team play during the season. The girls' capabilities were best displayed during the annual Hockey Day, held this year at Manheim Central High School. They finished with a 2-0-4 record for the day and the two co-captains, Donna Spangler and Robbie Blumenshine, were named to the all-star roster.

JUNIOR VARSITY — Row 1: L. Swingholm, P. Schneck, K. Steiner, H. Moehleman — co-captain, B. Miller. Row 2: K. Beers, C. Fox, K. Burkholder, L. Krall — co-captain, M. Zartman, M. Soccer Kings . . .

As in past years, Elco again came up with a winning soccer team. The Raiders won the Lebanon-Lancaster League Championship and also the Northern Lebanon Booster's Tournament, compiling a 15-2-1 log. They were led by six League All Stars: Kirk Pearson, voted the league's Most Valuable Player, Gary Yeagley, Daryl Neiswender, Jim Seager, Robin Miller, and Frank Nolt. Pearson and Neiswender were also selected for the 1973 All-State High School Soccer Team. The Raiders finally bowed in District play to a stubborn Twin Valley team, but their reputation for fine soccer playing remained the same.

JUNIOR VARSITY — Row 1: S. Tice, C. Stechman, S. Harris, F. Shaak, R. Harris, D. Schneck, R. Goshert, D. Lineweaver, D. Shank. Row 2: K. Hibshman, E. Dobbs, T. Lineweaver, P. Pfautz, B. Hunsicker, D. Leaders of School Spirit

Throughout the year, the Cheerleaders represent the school at the various athletic events. Whatever the game, their goal is to boost school spirit and to heighten team morale.

Raiders Fighting For Victories . . .

The 1973 Football season has proven to be the best in Elco history. This year the squad did not lose a single league game and finished with a 7-2-1 record.

Sharing the Section II title of the Lebanon-Lancaster Football League, the Raiders placed five men on the league's All-Star Team. They were George Achey, Barry Arnold, Barry Brunner, Kevin Findley, and Andrew Kapp. In addition to these honors, head football coach, Fred Poorman, was named "coach of the year."

Band in Action!

Elco's Senior Band is one of the most active organizations in the school. Throughout the year, the band participates in parades, at athletic events, in concerts, and in various other activities. In addition the band and the Band Boosters, an organization interested in the welfare of the band, are raising money for new uniforms through a variety of projects. It can truly be said that the Senior Band is an integral part of the Elco High School.

Homecoming '73

This year's Homecoming festivities proved that the great school spirit of Elco High is still alive. Each class feverishly gathered lumber for the Woodstock contest, the pie eating contest proved to be hilarious, and even though Saturday's sports events were threatened by rain, the enthusiasm of the players and fans was not quenched at all. The activities were climaxed with the football team's victory over Donegal and the crowning of Michelle Reedy as Homecoming queen.

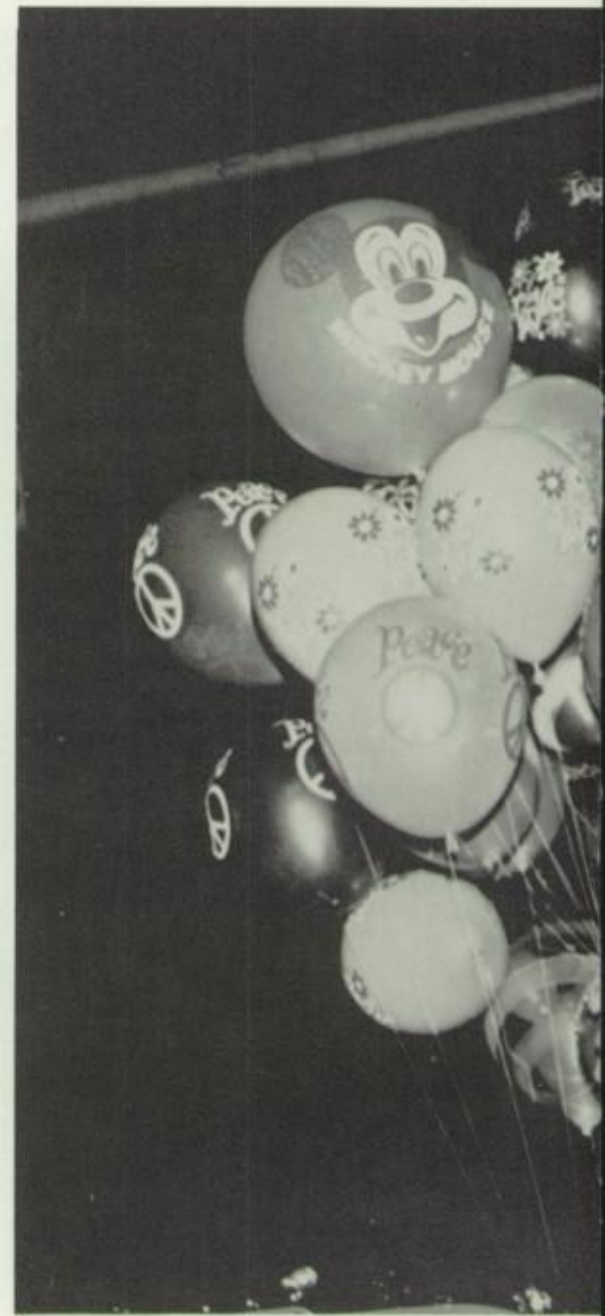

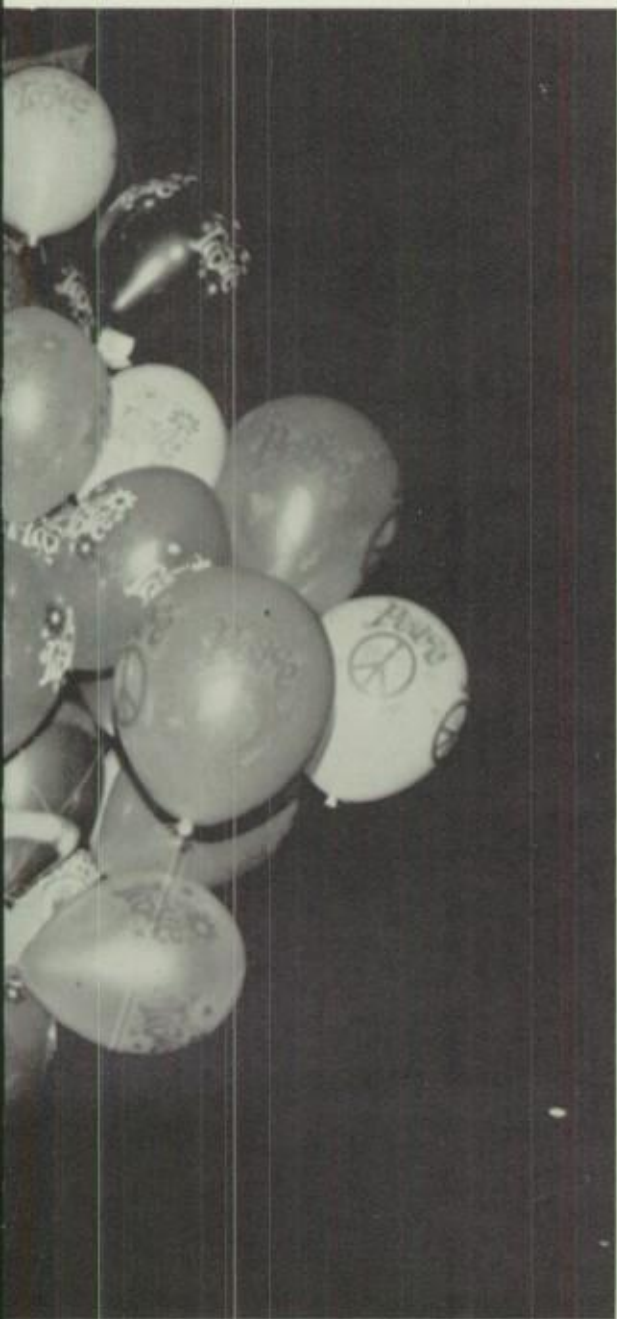

Celebrating Halloween

Student Government, YEA

Student Government is . . . sponsoring Homecoming and watching the woodpiles grow, having a pie-eating contest, collecting and counting the money from the magazine campaign, writing your name for the WIFI school spirit contest, working in the snackbar during the mad rush at the halftime of a basketball game, trying to find paints to make posters for the gym, paying the bills nobody else has the money for, and then starting all over again, making an activity calendar, filled with dates to remember, athletic events to support, and activities sponsored by the Student Government, for the next school year.

The YEA or Youth Education Association consists of students who are interested in furthering their education after high school. Under the supervision of Mrs. Gail Hibshman and Mr. Ronald Kochera, the YEA operated refreshment stands at home football and basketball games and was also responsible for the publication of the school newspaper. Other activities included a skiing trip in the Pocono Mountains and the annual banquet in spring at which the teacher of the year was announced. Scholarships were also presented to two outstanding seniors.

Beginning in fall with the start of school,* the Tri-Hi-Y busily prepared for Homecoming activities. Holding meetings regularly, the next important event for the club was the Valentine Pageant and Dance. Fund raising activities included a Fashion Show and a Smorgasbord. To conclude the year's activities, the Tri-Hi-Y honored the teachers at a recognition dinner and the senior members of the Tri-Hi-Y at a final farewell dinner.

The Hi-Y, an organization backed by the YMCA, is very active in most schools. The local club helped the Tri-Hi-Y arrange the Valentine Dance and went to some hockey games. Participation in other activities, however, was limited because of the small membership. It is hoped that in future years the club will again become one of the larger organizations in the school.

This year's German Club was comprised of German students who were interested in furthering their knowledge of the German way of life. This was done by viewing films and going to Bears' hockey games!?

Students wishing to learn more about applying make-up, lighting, directing plays, or just wanting to have fun acting may join the Drama Club, under the guidance of Mr. Ronald Paine. This year the club presented three one-act plays in the high school auditorium and took a trip to see a Broadway show.

Winter

The hush of new fallen snow invites everything to come inside. It creates a silent world for endless hours of study . . . thoughts turn inward for moments of quiet meditation. You listen plaintively to the melancholy notes of a guitar as you sit nestled in the warmth and glow of a crackling fire.

Basketball Raiderettes

Although the girl's team did not compile one of their best records, they did hustle the entire season. Mary Horst and Robbie Blumenshine displayed fine defensive work, while Lisa Weinhold and Carol Deck supplied most of the scoring punch for Miss Morris' girls. The girls gave it all they had and should receive a note of recognition for their efforts.

Skill and Coordination . . .

This year's Elco basketball team has been one of the finest ever produced by the school. Under the able mentoring of Coach Loftus, the Raiders had their most successful season ever. Led by the rebounding and scoring of Rick Troutman and Barry Arnold, the Raiders entered District play for the first time ever. Rick and Barry were ably assisted by the play-making, fast-breaking, and outside shooting of Jon Gyorke and Kirk Pearson and also by fine defensive work and rebounding from Jeff Shutter.

Elco Matmen

After a one-year absence from league play, the Elco wrestling team returned to action in Section II of the Lebanon-Lancaster League. Overall, the Raiders did not fare very well, but there were many bright spots in Coach Kochera's lineup. As in past years, Dave Bowman proved once again that he is one of the best wrestlers in the area in his weight class. Jim Morgan also showed an impressive win-loss record and sophomore Kenny Reich, judging by this year's performance, will certainly be one of the most outstanding wrestlers in the league in future years.

Yearbook and Youth Forum

From soliciting during the ad campaign to laying out the last pages, much time and effort was involved to produce this year's book. The staff would like to extend their appreciation to those individuals whose understanding and cooperation made it a possibility — Mr. Maurice Upton, the official yearbook photographer, the firms that placed ads in the yearbook, David Fetter and Mr. Eisenblaetter, who cooperated with supplementary photography, the administration and faculty, Mr. Amby Nolan, representative of the Taylor Publishing Co., and all those not mentioned by name. We hope that the book will be as meaningful to you as it is to those of us who gave our time to produce it.

Youth Forum is a group of students in the school united for the purpose of discussing problems affecting our lives today. The students hold regular meetings and attend a Youth Forum Day, held this year at Palmyra High School, to discuss problems with students from thirty three other senior high schools. To climax the year's activities, an evening program was held at the William Penn Museum, with a sum-up of the important events of the year.

Library Club

The Library Club, consisting of about 40 members, is primarily a service organization, existing for the benefit of the student body. Duties include carding, checking out, and shelving books and magazines, and distributing A-V equipment and materials. During the year, the club had several recreational evenings in the gym, and at the end of the year, a picnic was held for the members and their guests.

Women in White

This year's tri-class-play, a mystery-comedy, was directed by Mr. Ronald Paine and performed by an all-girl cast, who made the play humorous and exciting. Between telephone calls, murders, accidents or added extras the play turned out not only successfully but fulfilling to everyone who participated. Members of the production give a sincere thank-you to those who helped make it possible.

Chorus

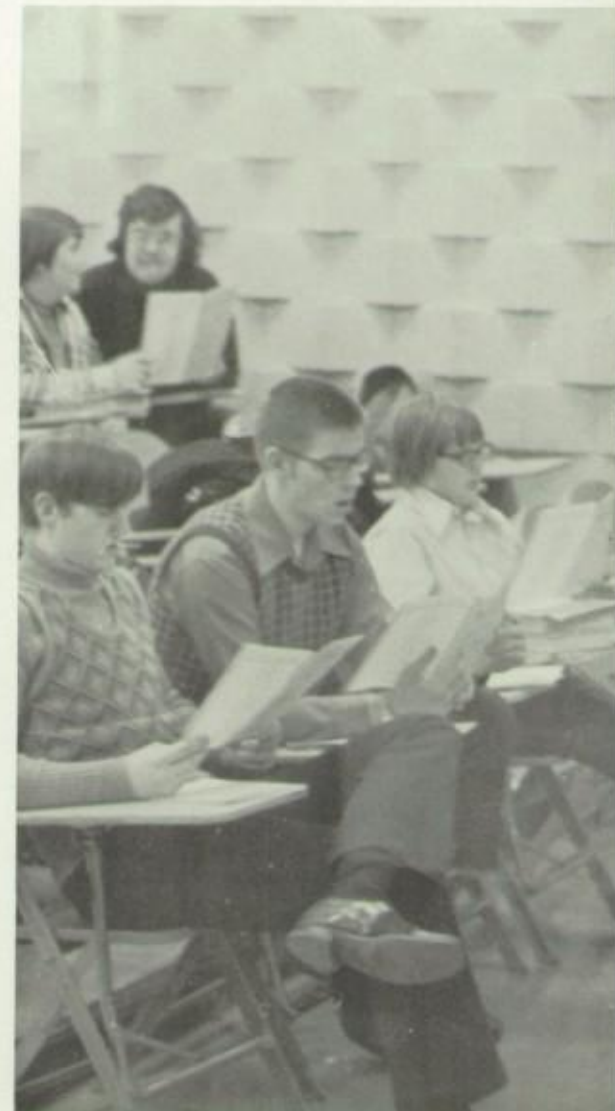

This year's chorus, smaller than usual, was composed of about 50 members. During the Christmas season, they presented a cantata entitled "The Night of the Star," which was sung in the High School auditorium and seen on WLYH-TV's Christmas program, Christmas Day. To conclude the year, the Chorus presented a program, held annually each spring, of religious songs, contemporary works, and show-tunes.

This year's Bundle Days, held December 10th through the 15th, was a complete success. During the annual event, sponsored by Student Government, over 2000 pounds of clothing and canned goods were collected for needy families. The Senior class, which gathered over 800 pounds, took first place during the week.

The Bible Club, a newer club in its second year was formed for the purpose of discussing pertinent questions of our contemporary society and relating them to the teachings of the inspired Word of God — the Bible. The goal of each of its members is to tell others about the peace and meaning only Jesus Christ can give to a person's life.

The Medics Club is not the most active organization in the school, but its members, each planning a career in the field of medicine, have truly expressed an interest in humanity. In achieving their goals, they have invited speakers to give lectures and have participated in local volunteer programs.

This year the Chess Club broadened its scope to include the competition of players and teams from other schools in the area. Led by senior Keith Frantz and sophomore Tim Cover, the team surprised competitors and finished the season with very rewarding results.

Vo-Tech

The Lebanon County Area Vo-Tech School gives interested students the opportunity to learn a skill or trade while attending high school. At Vo-Tech the student receives classroom instruction and works under simulated conditions. Eventually he may receive on-the-job training. After graduation he is prepared to enter the vocation for which he has been trained.

"An Old Fashioned Love Song"

The weeks leading up to the Valentine Pageant and Dance were full of headaches and much decorating, but there was also a lot of fun. When February 9th finally arrived, the auditorium was transformed into a scene of royalty, with Kelly Blouch and Andrew Kapp reigning over the 1974 Valentine Court. The pageant was filled with singing, piano playing, and a slide presentation, and the recessional was appropriately featured with the theme song, "An Old Fashioned Love Song." After the pageant, the group, Custer's Last Band, provided entertainment for those attending the dance.

Spring

The spring rain washes the world clean and puts sparkles on the flowers in your back yard. And you have a new dress made out of pink blossoms for the school prom. Sitting on the grass with the sun warm on your shoulders you're thinking about the baseball game . . . anxious to feel the smoothness of the bat in your hand, hoping to barely make it home by sliding . . . smiling as the dirt and gravel scratch and brush at your skin . . . and you don't mind, it's spring.

FFA, FHA

The F.F.A. expanded its fund-raising projects this year by including an auction held during fall. The auction, along with selling flowers and fruit provided funds for the annual F.F.A. banquet held during March. Other projects included a prize-winning float, entered in the Halloween parades, and the F.F.A. scrapbook, which won third place in the county. Individual awards included Donald Bollinger, who was named a Keystone Farmer and Mike and Jeff Bender who placed second in state small engine competition.

F.H.A. is an integral part of the Home Economics Education curriculum that operates through the school system. It emphasizes personal growth and the individual's desire to work toward change rather than toward a symbol of recognition, award, or a status. The Elco Chapter's contribution to the school has been mainly in the area of volunteering hostesses at the various banquets held each year. In addition they have had speakers come to the school and have had fund-raising projects to help meet the expenses of the club.

FBLA, National Honor Society

The FBLA gained a new advisor this year in the person of Miss Brown. Under her direction the club has had several charity projects. They collected greenstamps for Teen Challenge and raised money to donate to the March of Dimes. In addition they operated the school store and sponsored a roller skating party. In April the Regional FBLA Convention was held at Elco with senior Kelly Blouch as president.

The National Honor Society, chiefly a service organization is made up of students who were chosen for membership based upon the qualities of scholarship, service, leadership, and character. Making up Thanksgiving baskets, setting up a tutoring service, and having a party for the residents of Twin Spruce were among the club's service efforts. Holding a car wash in the spring was held to help defray the costs of a trip to New York to see a Broadway Play.

Hiking Club, Art Club

A newly organized club this year is the Hiking Club in which members are introduced to the various skills and techniques of backpacking and camping. In addition the club takes hikes to historical sites and other places of interest. At the end of the year, they took a 40 mile trek around the Grand Canyon of Pennsylvania.

Among other projects the club sponsored two dances, decorated the school during the Christmas season, sponsored monthly movies open to the public, and presented a deserving senior art elective with a grant for further education. Club members also went on field trips to Kutztown State College, William Penn Museum, and New York City.

The school year — 1973-74 will be the one I'll never forget. I'll always remember it as a most exciting and fun-filled year of travel. Thanks to you all! I'll go back home full of great memories of United States and especially of my two best families.

My special thanks goes to Student Government which made it possible for me to come here, get to know you all, and enjoy Elco activities. I hope you'll be able to visit my homeland Finland some day and enjoy it as much as I did yours!!!

Good Luck!!!

Love,
Eeva

You would know the secret of death.

But how shall you find it unless you seek
it in the heart of life?

The owl whose night-bound eyes are
blind unto the day cannot unveil the mystery
of light.

If you would indeed behold the spirit of
death, open your heart wide into the body
of life.

For life and death are one, even as the
river and the sea are one.

In the depth of your hopes and desires
lies your silent knowledge of the beyond;

And like seeds dreaming beneath the snow your heart dreams of spring. Trust the dreams,
for in them is hidden the gate to eternity. Your fear of death is but the trembling of
the shepherd when he stands before the king whose hand is to be laid upon him in honour.

Is the shepherd not joyful beneath his trembling, that he shall wear the mark of the king?
Yet is he not more mindful of his trembling?

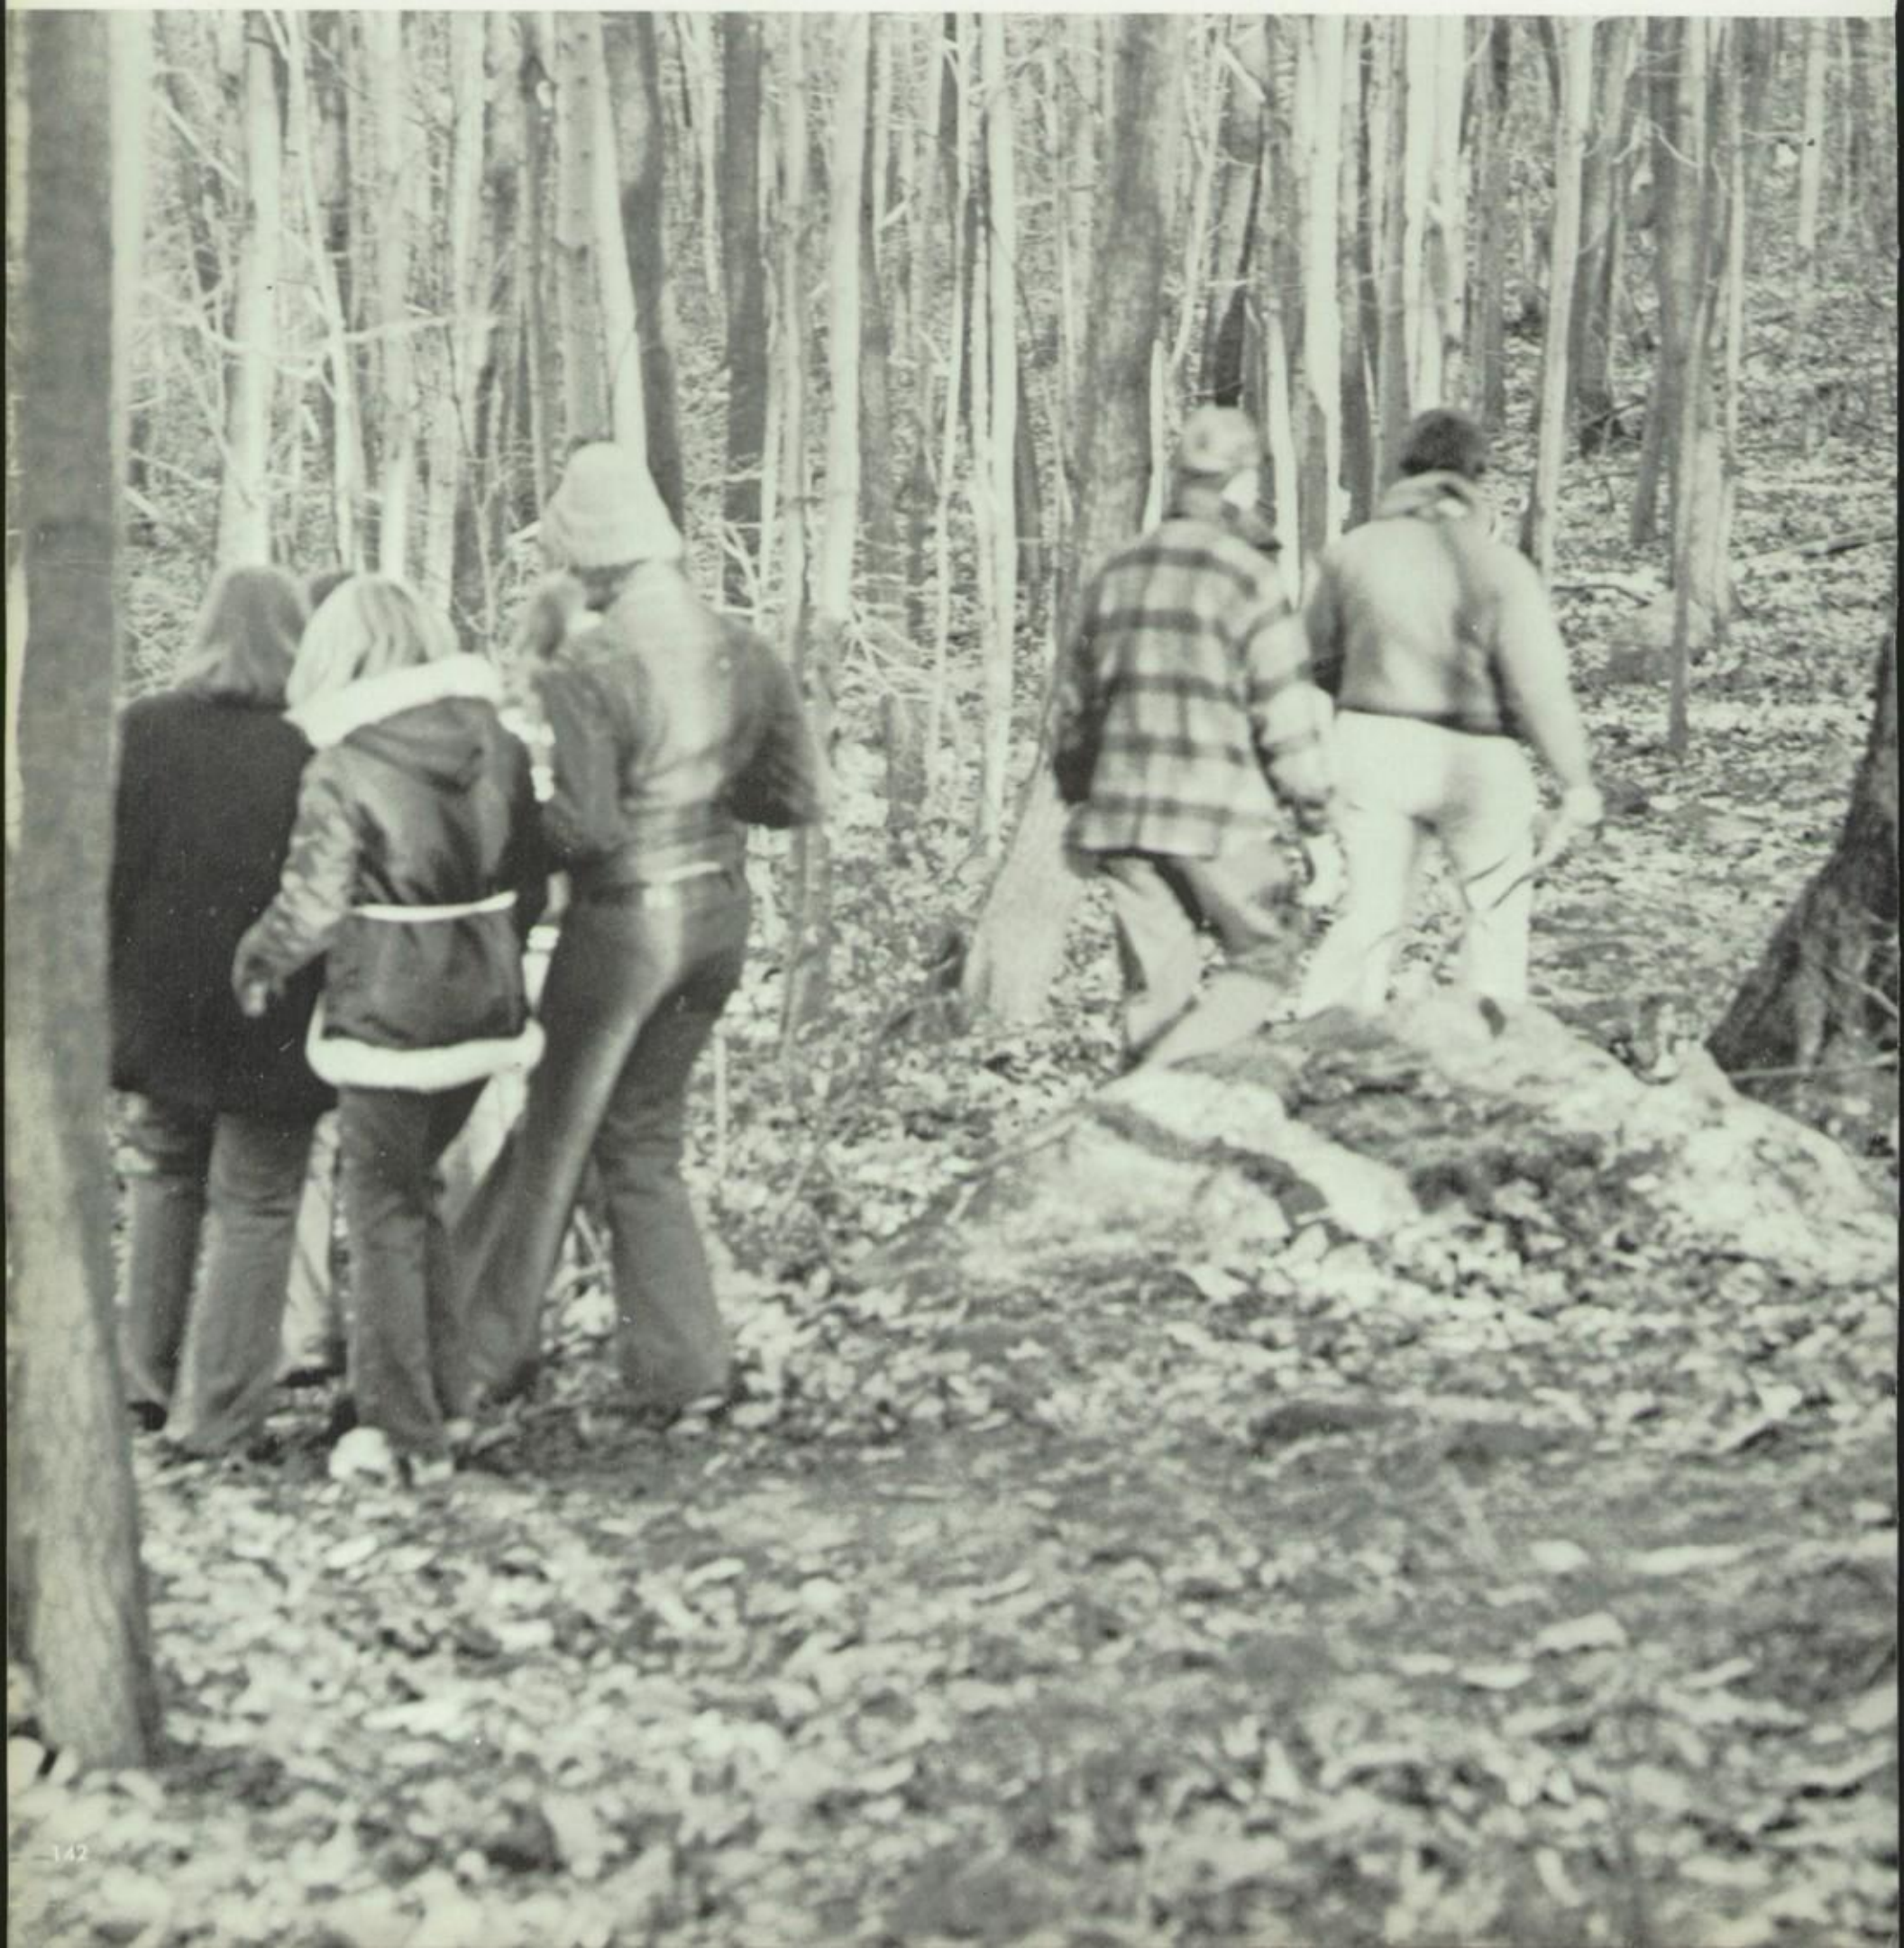

For what is it to die but to stand naked in the wind and to melt into the sun? And
what is it to cease breathing, but to free the breath from its restless tides, that it
may rise and expand and seek God unencumbered?

Only when you drink from the river of silence shall you indeed sing. And when you have
reached the mountain top, then you shall begin to climb. And when the earth shall claim
your limbs, then shall you truly dance. — Kahlil Gibran

With Skill

"We May Never Pass This Way Again"

Field Day

"Plain and Fancy"

With only five weeks of rehearsing behind them, the cast of "Plain and Fancy" successfully performed Elco's sixth musical about two New Yorkers and their visit to the land of the Amish. Throughout the play, scenes such as the cast shunning Peter, Ezra's drinking "old vegetable juice," Hilda wearing Ruth's clothes, and the entire company coming on stage for the finale and curtain calls had the audiences silently touched, roaring with laughter, and finally on their feet in standing ovations.

A sincere thank-you to Everyone who helped make this production possible.

~~Cindy~~
Cindy

To a very nice girl I knew since I was a little kid. Remember all those good things we did and all the fights we had in grade school but we always managed to be friends again. You can't forget about your sweeties Keith, Craig, Jeff boy or boy you had good taste. But I tell you one thing you ^{don't} have to good of taste for boys now but someday you'll find the right amish boy, that sounds like your type. HA! HA! This summer when you don't have anything to do we can jump on our flying toilets and go flying up to Bob's place. Then we are going to have to rig one up Bob cause he can't miss all of that fun. You can't forget what happened when you went camping, all those good times you had plus all of your boyfriends. You can't forget about Bruce, fuck you used to follow him like a little puppy. But of course you got your lover boy. You can't forget when that fat little boy put water in your locker and it went all over the floor. That was funny cause it looked liked you pissed all over. Remember when they always stacked your locker. Just think only 3 more yrs on our groovy bus and with our cute bus driver. There's one for you, but you can't have him cause some loveable lady has him. Whatever you do always remember your nice friends and there honies: Anita & Todd, Debbie & Chuck, and the nicest me and? Good luck when you get out school and good luck with that certain guy, I hope you pick that certain ^{one} whoever he is, plus settle down with him but make sure you pick the ~~right~~ right one cause I'd hate to see you suffer cause you suffered enough, so make sure he is the right one. You can't forget about our favorite teacher Mr. Hot Lips / Bruby or fat so and his exciting call class with those neat hot shits. Don't forget about our groovy lunch periods, when those sexy boys always throw that loveable food at us wonderful girls. Whatever you do always remember your Honey Brain. I write me to your wonderful wedding. Don't Forget ABOUT ME YOUR DEAREST FRIEND.
